RULES & REGULATIONS

RESIDENCE All divisions open to residents of Fresno, Madera, Merced, Kings, and Tulare Counties, unless specified.

PLACING American System of Judging will be used. The judges shall award first, second or third, according to merit, and if without merit, the judge shall make no award under any circumstances. This rule applies whether there are one or more entries in the class.

ENTRY FORMS Exhibits must be correctly entered on the entry form, including correct class descriptions where required.

EXTRA INFORMATION No additional or handwritten identification or information allowed on exhibits.

DISQUALIFICATION Department Superintendent or Judges may disqualify any entry that is entered in the wrong category. All specimens must be listed under correct division and class number to be eligible for judging.

EXHIBITOR A exhibitor is defined as a husband, wife and children under 18 years of age (unless married), and they shall be considered as being one exhibitor.

ENTRY LIMIT When the number of plants or cut flowers in a class is indicated, the exhibit of any number greater disqualifies.

EXHIBIT DISPLAY Dish Gardens, Potted Plants, Bonsai and Dried Arrangements remain on exhibit for the duration of the Fair.

OWNERSHIP Potted Plants must have been in exhibitor's possession for at least three months. All specimens must be home-grown except where specified.

CLOSED JUDGING Exhibitors are not allowed in the area during the judging of exhibits.

CONTAINERS Containers and accessories are considered part of all exhibits and the composition will be judged as a whole (plants in oversized pots will be disqualified). All hanging plants must have a suitable hanger. Containers for the blooms will be furnished on day of entry.

AFRICAN VIOLETS African Violets plants must be in bloom and remain on display during specified entry days.

FAIR'S RESPONSIBILITY The Fresno Fair will not be responsible for exhibits not picked up on specified dates. The Fair is also NOT responsible for damaged plants.

WATERING All watering of plants will be done by staff members. Special written instructions may be given to staff on delivery day. Tags with instructions may be placed in container but should be positioned to back of pot and should be unobtrusive to Judges and viewing public. **CLEARLY INDICATE FREQUENCY OF WATERING.**

FOILAGE All specimens of cut flowers must be shown with their own foliage.

WEDGING Wedging is used to allow Exhibitor to position a cut flower specimen in container at the correct height or facing Judges for best presentation. Wedging permitted only in Horticulture section and only to be used for cut specimens, not potted Horticulture specimens. Care should be used that wedging material is nt distracting and should not protrude from rim of container.

DISBUDDING The following flowers should be disbudded. Dahlias, except pompon, miniatures and singles, roses except floribundus, grandflorus, singles and miniatures.

ENTRY CHANGES No changes to entry form will be accepted after received by clerk.

FIRE PROOFING Flame retardant MUST be applied to ALL DRY ARRANGEMENTS by order of state fire marshal.

STATE RULES All State Rules Apply. Refer to section 2 of Handbook.

QUESTIONS Please contact Floriculture Superintendent at (559)313.5180 or JWaite5369@gmail.com.

RULES

CONTAINER Each Bonsai must be in a suitable container.
WIRING Wiring is permitted. Care should be used that wiring does not detract from overall appearance.

MEASUREMENTS Measurements are from the top of the soil to the top of the plant, or for cascade style, the top of the apex to the bottom of the apex.
AGE Plant age may be provided on entry form to be used for public interest.
LIMITS:
- Trees too large or heavy to fit on a 30" table or built-in shelving will not be accepted for display.
- No trees will be allowed on the ground, low stand or pallet.
- Ground covering on Bonsai will be limited to natural materials similar to soil, small gravel, moss and/or living groundcover plants. Glass beads will not be allowed.
- No gluing of pea gravel to the soil surface. This practice will disqualify entries because it is detrimental to the trees.
- Small plastic toys, cars, houses, people and similar items are not appropriate for Bonsai culture and will not be allowed.
