

## Crystal Ag Ventureland

The Magic of Agriculture Comes Alive!

Back by popular demand is Crystal Ag Ventureland, which was first added in 2008. Featuring everything you need to know about the Valley's agricultural heritage, this educational exhibit is located on the northeast side of the Livestock Pavilion. Kids of all ages will have a chance to learn about all different aspects of agriculture. Plus, it's all FREE, family fun! Here's a sneak peak at the exciting features to look forward to at the Crystal AG Ventureland:

### **Baby Animal Area**

A Fair favorite each year! Kids can come out and see baby lambs, goats, chickens and pigs! Learn interesting facts like what a mom goat is called (a doe) and a baby goat (kid)!

### **Ag Ventures Kids' Area**

After a huge success in 2008, the Ag Venture's Kids' Area is back for another fun-filled 12 days! Don't miss out on all the fun and horsing around in this area during the Fair. You can learn how to milk a cow at the simulated goat and cow milking stations. Try your skills at pony saddling or tap into your creative side at the Ag craft stations where you can make a scarecrow. Oh, and you won't want to miss out on the pedal tractor pull, plus so much more! There are Ag Ventures for everyone at this special area!

### **New Ag Magic Show**

New to Crystal Ag Ventureland this year is the Ag Magic Show, which will teach attendees all about the American farmer while demonstrating some pretty funny and engaging tricks as well. Did you know that everything you consume, touch or wear in a day has a direct connection to agriculture and a farmer? Learn more fun agriculture facts and test your agriculture knowledge during this interactive performance that's sure to captivate the entire family. Watch the magic unfold at this one-of-a-kind Ag Magic Show!

### **"Cow Palace" Milking Barn**

The newest addition next to Dairyville USA, the Cow Palace features a new archway with cow heads that frame the Fair's education cow milking station. Stop by for the daily milking demonstrations and learn how the milk gets from the cow to your fridge! Demonstrations are held every day at 9 a.m., 11 a.m. & 5 p.m.
