

Pavilion Stage

Don't miss these two exciting FREE shows!

Two exciting events – Lucha Libre Wrestling, featuring the Mini Luchadores and Knock Out Night – will take place at the Pavilion Stage on both Sundays of The Big Fresno Fair. The events will feature professional wrestlers and mixed martial artists...some of them are even Central Valley natives!

Knock Out Night is a popular Fair tradition that features gracefully and highlight talented boxers, some local, that battle it out in the ring. The Big Fresno Fair, in collaboration with Roy Englebrecht Events, will host this event, which is scheduled for Sunday, October 11th at 5:00 p.m. at the Pavilion Stage.

Lucha Libre and the Mini Luchadores, will feature a form of wrestling that is characterized by rapid sequences of holds and moves, as well as spectacular high-flying stunts and colorful masks. Lucha Libre is an increasingly popular entertainment attraction for kids and adults alike! The event, which will take place on Sunday, October 18th at 5:00 p.m. on the Pavilion Stage, is brought to the Fair by the California-based company, World Power Wrestling. The company hosts weekly shows in Anaheim and has visited several fairs since 2006, including county fairs in Orange County, San Mateo, Solano, Monterey and Kern.

“Our boxing night has always been a huge success,” said John C. Alkire, CEO, The Big Fresno Fair.

“Last year we added Lucha Libre Wrestling and it was a hit! This year we are continuing these two great events and are adding the Mini Luchadores, which are sure to be a crowd pleaser!”
