FRESNO, CALIFORNIA...May 14, 2010...The Big Fresno Fair is proud to announce a new long-term partnership with Promotions Together that will bring the Spring Kart Classic Racing to the Fresno Fairgrounds, which features a new all-dirt covered track in the Livestock Pavilion. The Spring Kart Classic Racing dates are May 15th, June 5th & 19th and July 10th.

The new all-dirt covered oval track is 170 ft. by 90 ft. with banked turns and took a total of 460 cubic yards of dirt to construct.
