

GEM & MINERAL DEPARTMENT

Co-Superintendent – Jerry Wells & Eddie Leeper

Entry Form Due	September 9, 2017
Online Entry Forms Due	September 11, 2017
Capacity may be reached before the final entry due date.	
Exhibits Received	Gem & Mineral Building
Competitive Exhibits Received	
September 30, 2017	9 AM to 6:30 PM
Non-competitive Exhibits Received	
October 1, 2017	9 AM to 6:30 PM
Judging	October 2, 2017 10 AM
Exhibits Released	
October 16, 2017	9 AM to 6 PM

GENERAL INFORMATION

This marks the 23rd year that The Gem and Mineral Department will be sponsored by the Big Fresno Fair. This department is intended to display the works associated with the Gem and Mineral hobby and includes exhibits from prospectors, lapidaries, mineral collectors, rock hounds, fossil collectors, metal smiths and jewelers.

The Gem & Mineral Department's goal is to create an exhibit reflecting the talent and artistry of the state. Competition builds quality, improving exhibitors' skills and igniting his or her personal satisfaction, while recognizing the Club's endless support.

A successful Gem & Mineral exhibit will depend on exhibitors' cooperation, assistance, and willingness to share knowledge and talents with over a half million fair visitors.

Locked cases will be provided for exhibits. On-going demonstrations will occur daily throughout the fair.

Please share this information with your clubs and friends to encourage them to join you in exhibiting. For further information and additional entry forms, please contact the Exhibit Office at 650-3213 or at 1121 Chance Ave, Fresno, CA 93702. All entry forms must be completely filled out and mailed to address above by September 9th or enter on line at www.fresnofair.com by September 11th.

RULES & REGULATIONS

Residence Open to all California residents.

Rules A.F.M.S & C.F.M.S. rules apply for Competitive Exhibition.

Non-Competitive Eligibility Non-Competitive entries are open to clubs, classes, individuals, & families. Clubs, dealers and professionals are especially invited. Please specify on entry form if entry is a non-competitive exhibit, the type of display, and any special needs.

All Competitive Exhibitors "Exhibitor" is understood to mean either an individual or family, or group whose names shall be listed on the entry form. All work shall be personally done by exhibitor.

Open Division Qualifications (Adult) Professionals; advanced collectors and those highly skilled in lapidary may ONLY exhibit in the open division. This also includes any exhibitors and/or immediate members of their households, who regularly buy, sell or advertise for sale, mineral specimens, gem material, custom lapidary or silver work, and those who receive pay regularly for teaching lapidary or jewelry.

Amateur Division (Adult) This division is provided for the non-professional hobbyist only.

Adults Juniors may not enter any adult divisions. The adult scorecards will also apply to the juniors.

Junior Division Please read all rules for the junior department on page 56 before completing an entry form. Junior exhibitors may enter any class they are eligible for.

Double Entering No exhibitor may enter both the Amateur and Open Divisions.

Previous Awards Any exhibitors who have been awarded 2 first place ribbons in the same class may not enter that class for a third time. Novice must move to Amateur Division and Amateur must move to the Open division. After winning (2) blue ribbons in the Open division the Exhibitor may not enter the same class for the third time.

Claim Checks Claim checks will be furnished when exhibits are delivered to the building.

Display Entries selected for exhibit must remain on display for the duration of the Fair. All exhibits MUST be left in place in the exact arrangements in which they were set up for the duration of the Fair.

Exhibit Released Exhibits are only to be removed upon presentation of claim check. At that time a gate release will be furnished to the exhibitor, which authorizes the exhibit to be removed upon presentation of claim check. The Fair is not responsible for exhibits left after 6PM on Monday, October 16, 2017.

Collective Entries Any or all members of a family living under one roof may compete individually or collectively. Any individual contributing to a collective family exhibit is ineligible to enter the same class as an individual exhibitor. Members of a family may also enter as individuals in other classes. A family member wishing to enter as an individual must submit a separate entry form.

Membership Current member in the California Federation of Mineralogical Society or any local Mineralogical Society is not a requirement for entry in this Department.

Clubs are NOT eligible in competitive classes.

Out of Class Specimens Lapidary in mineral exhibits, mineral in lapidary exhibits, and synthetic in mineral exhibits shall be considered out of class specimens and will be penalized in scoring.

Spraying/Coating Lapidary exhibits which have been sprayed or otherwise coated will not be judged. This rule does not apply to "doublets" or "triplets". However, such material must be properly labeled.

Labeling Name tags, initials, symbols, and club affiliations may appear in competitive exhibits provided they are face down during judging. Any identifying sign shall cause DISQUALIFICATION if not covered. Important: Names of all exhibitors showing in case(s) must be listed on entry form.

Labels should include the following information:

- Identification of mineral.
- Identification of associated minerals where significant. This applies to mineral classes only.
- Locality, as complete as possible.

Managements' Rights Management reserves the right to limit the amount of cases and space to exhibitors, and has the final decision on the placement of the cases.

Cases Needed Exhibitor must indicate on entry form the total number of cases needed. For special display problems, write a separate letter to the Superintendent of the Gem and Mineral Department.

Original Work All lapidary work must be the work of the exhibitor. All specimens must be the property of the exhibitor.

Disqualification Refusal to comply with the rules or any unethical conduct displayed may result in disqualification. Objections to the rules are not to be considered justification for complaint, but where an apparent error in evaluation or interpretations has been made, appeal may be made to Supervisor. Any protest must be made in accordance with State Rules.

Judging All entries will be judged using the American System of Judging. Entries will be judged on merit. Minimum Merit Point Scores are:

- Master Faceter 90 points
- Open Division 80 points
- Amateur Division 70 points
- Novice & Junior Division 60 points

Cash award will be given to exhibitors with the highest scores, above the division minimum. If score is below minimum merit points, it will be considered as insufficient merit. No award or ribbon given.

Cases All entries shall occupy one full case in accordance with class rules. Single entries will be displayed with other single entries in special display cases. Alterations to the basic construction of the cases are not permitted. Exhibitors are encouraged to use their own case if they have one.

Locked Cases Locked cases are available and will be assigned to exhibitors.

Case Liners All display cases should be lined by exhibitors. No sand or gravel allowed. Inside dimensions are very tight. Liners should be slightly smaller to avoid problems. Don't forget to allow for overlap of liner pieces. First liner piece inside case should be back, then bottom piece and sides last. The exhibitor should be aware that dimensions may vary slightly from case to case.

Case Dimensions

Kent Cast (Federation)
20 ½" x 20" x 22" x 45"

Slant Front Type
11" x 24" x 46 ½"

Signs Small identification placards should be placed in each case. These may also include the names of family members or the club exhibiting in each case. In order to assure uniformity and neatness, cards should be typed or lettered, not handwritten.

State Rules All State Rules Apply. Refer to section 2 of Handbook.

Best of Show The Outstanding Case Display in the Non-Competitive Displays will receive "Best of Show." A cash award will be given for first place; ribbons for second and third place. Cash awards sponsored by FGMS.

JUDGES' GUIDELINES

Judging Panel Qualified members of The California Federation of Mineralogical Societies and/or people from colleges and professional schools are chosen to be on the judging panel.

Labeling Labels will be judged on correctness of identification, spelling, and legibility. Accuracy and spelling of mineral, species and locality will also be factors. Neatness, size of label, etc. will be considered under showmanship. Labeling should be aimed at the general public. Pink Tourmaline is as acceptable as Tourmaline or Rubellite. All other things being equal, the labels with the most complete locality shall receive a higher score for labeling. This applies for both lapidary minerals and fossils. See other label requirements under general rules.

Showmanship Shall refer to the ability of the exhibitor to use material exhibited, background, lighting, arrangements, neatness, and labeling to create an attractive and interesting display.

Quality of Material Quality of material refers to the following properties: Color, crystal arrangement, color pat-tern, texture, and brilliance, freedom from flaws, cracks, and foreign material.

Rarity Rarity refers to the rarity of occurrence of the mineral, of mineral association, or crystal form or habit.

Orientation The proper position and angular presentation of the specimen on its mount so that the central point of interest may be observed without further movement of the mount.

Workmanship This refers to the shaping, polishing, symmetry, and general precision of the exhibited material. The ability to work in a wider variety and hardness of material will receive a relatively higher score.

Variety of Work Judging will be based on the variety of work exhibited. Cabochon, flats, faceted stones, transparencies, spheres, composite carvings and novelties shall be considered as different varieties. Variety of work in jewelry and metalwork shall be based on variety of techniques and surface finishes.

Originality of Design Use of new designs as well as the ability to use old ideas for unique design.

Variety of Material Life formative units, locations worldwide, replacing material. Use of diverse kinds of material, colors, differing ranges hardness.

Reference List A list of references is required to obtain the scientific name for each specimen. This list may cite publications, institutions or individuals used as the authority for this identification.

Variety of Exceptional or Unusual Forms of Association This includes physical features, minerals present, etc.

Overall In every class all other things being equal, the exhibit which in the opinion of the judges, carries the most interest to the general public, shall receive the higher score.

WORK – CASE

Requirements for Division 705

Classes 1 to 8

For classes 1 & 2 mountings do not need to be the work of the exhibitor and will not be judged. No more than 5 may be mounted. Any Lapidary work may not be in competition in the same class for more than 2 years. Limited to 2 Blue Ribbons.

DIVISION 705 LAPIDARY WORK-CASE

Class	Scorecard
1. Cabochon More than one material traditional Case (20 -30)	L
2. Cabochon More than one material Modern (free form) Not more than 5 may be mounted	L
3. Full Case Single variety of material to show a variety of lapidary work (20 - 30)	L
4. Nodules or Geodes Halves (pairs or singles) with polished surface; from either mixed localities or one area (6—15)	L
5. Spheres May be a single material or a variety of materials. Labels must include name of material & locality. (5 min - 10 max)	L
6. Painting on Rocks Labels must include name of rock locality & type of materials used in application. (6 min - 10 max)	J
Specialties Ash Trays, Lamps, Miniatures, Bowls, Jewel Boxes, etc. (6 Min - 10 Max.)	J
7. Carvings - Mixed May include soft stone, hard stone, composite, any size, using a variety of material and design. (6 min, 10 max)	H
8. Scrimshaw Case 6-10 Ivory, Bone or Rock	H

LAPIDARY WORK – SINGLE

Types of Carving

In the Round

Carved & finished all surfaces.

- **Relief**
All types, high, medium & low. Need not be finished on reverse side. Includes intaglios & cameos.
- **One Piece (Solid Mass)**
Carving of any type, of one piece of material, worked to completion.
- **Composite Carving**
To utilize more than one material to achieve the desired effect. Minor metal parts may be used (e.g., stone, for flowers, legs for birds.) Stones 4mm in diameter may be used only where they fit the theme of the carving (i.e., no faceted stones used for eyes in realistic carvings.)

Awards Offered per Class

Ribbons 1st thru 3rd

Cash Awards Offered per Case

<u>Place</u>	<u>Awards</u>
1 st	\$16.00
2 nd	\$11.00
3 rd	\$7.00

Rules

Entry Size Entry cannot exceed 10" x 10" x 10".

Same Class Any carving, painting, or Scrimshaw may not be in competition in the same class more than one year.

DIVISION 706 LAPIDARY WORK SINGLE

Open Carving

Class	Scorecard
1. Soft Material Less than 5 Mohs Scale	HH
2. Hard Material From 5 to 10 Mohs Scale	HH
3. Composite Constructed From more than one piece	HH
4. Relief Any type	HH
5. Painting on Rock Single piece	JJ
6. Specialties	JJ
7. Scrimshaw Ivory - Bone - Rock	HH

SILVERSMITHING - METALCRAFT

Requirements for Class 1

Entries must be made by the exhibitor for personal adornment.

Required Materials Items must include at least one of the following: Lapidary work (cabochon, free forms, faceted stones, carvings, etc.); crystals, fossils, or mineral specimens. Lapidary materials and specimens will be judged on quality and labeling.

Turquoise Labeling Turquoise must be labeled as to natural, stabilized or treated.

Metal The metal shall be gold, silver, pewter, copper, brass or bronze. All metal work must be done by the exhibitor except minor findings. Minor findings refer to pins, catches, ear screws, etc. Gallery wire (Bezel wire) and decorative pieces such as leaves and flowers are not considered minor findings. Hand wrought chains preferred, not mandatory.

Labeling A label is required for each piece and should identify lapidary materials, fossils or minerals used, the metal used and one or more jewelry techniques (variety of work).

Techniques Variety of work shall include but not be limited to the following techniques or finishes: Casting appliqué, engraving, forging, chasing, repousse, spinning, electroforming, etching, piercing, granulation metal inlay, scroll work (including chains), filigree, lamination, fusing, channel work, enameling, cloisonné, damascening, construction of bezels, prong mounting, ring & clasps, and jump rings.

Finishes Antiquing, patinas, texturing (including satin & Florentine finishes), graving, electro plating and heat coloring are accepted finishes.

Requirements for Classes 1, 2, & 3

Items created by artist/craftsman exhibitor using combinations of traditional & non-traditional materials and techniques combined with lapidary.

DIVISION 707 SILVERSMITHING METAL CRAFT SINGLE

Class	Scorecard
1. Mixed Types	EE
2. Jewelry	EE
Single piece creative mountings (Gold or silver) with or without stones. Stones will not be judged

BEADWORK

DIVISION 711 BEADWORK - SINGLE PIECE

Class	Scorecard
1. Jewelry – Bracelet Single Piece	CC
Jewelry must be made by exhibitor to be used as personal adornment. Jewelry may include natural stones, seed beads, glass crystal, or other man-made materials. Label must identify all material and technique used.	
2. Jewelry – Necklace/Pendant Single Piece	CC
Jewelry must be made by exhibitor to be used as personal adornment. Jewelry may include natural stones, seed beads, glass crystal, or other man-made materials. Label must identify all material and technique used.	
3. Other Single Piece	CC
Items are to be anything other than jewelry. Must be made by exhibitor, using natural stones, seed beads, glass crystal, or other man-made materials. Label must identify all materials and techniques used.	

Awards Offered per Class Ribbons 1st thru 3rd

Cash Awards Offered per Single Entry

<u>Place</u>	<u>Awards</u>
1 st	\$16.00
2 nd	\$11.00
3 rd	\$7.00

DIVISION 712 BEADWORK – CASE

Class	Scorecard
1. Beadwork Mixed Types (10-20)	C
Using natural stones, seed beads, glass crystal, or other man-made materials. Each item must have a label identifying materials and techniques used	
2. Gemstone Beads (10-20)	C
75% of Beads and other ornamentation (cabochons, carvings, etc.) shall be natural gemstone material or crystals. No plastics allowed in this class.	

Awards Offered Ribbons 1st thru 3rd

Cash Awards Offered per Case

<u>Place</u>	<u>Awards</u>
1 st	\$28.00
2 nd	\$22.00
3 rd	\$10.00

DIVISION 713 FOSSILS – CASE

Class	Scorecard
1. Animal Fossils 10-20	D
In approximate proportion of four invertebrates to one vertebrate.	
2. Specialized Fossils	D
Exhibitor shall limit exhibit to one category from each of the following groups:	
<u>Group 1</u> One Classification Unit-(kingdom, phylum, subphylum, class, family, genus. Invertebrates also considered a unit.)	
<u>Group 2</u> One Locality or One Time Unit or One Rock Unit.	

Example: Vertebrate Fossils from Calvert Co., Maryland, Mississippian Crinoids, Brachiopods from Silica formation.

DIVISION 714 PETRIFIED WOOD

Class	Scorecard
1. Polished Flats and/or Contoured Specimens	I
Min: 10-20 Flats must have polished surface. Contoured refers to the shape of the polished surface, e.g., end of limb rounded or irregular shaped specimen.	

AMATEUR COMPETITIVE EXHIBITS

Entry Fee	\$3.00 per Case
	\$1.50 per Single Entry

MINERAL SPECIMENS

Requirements for Classes 1 to 3

Entries are to be composed of minerals in their rough or natural state. They may be polished merely to bring out color or structure, unless otherwise indicated under specific classes.

Awards Offered Ribbons 1st thru 3rd

Cash Awards Offered per Case

<u>Place</u>	<u>Awards</u>
1 st	\$28.00
2 nd	\$22.00
3 rd	\$10.00

DIVISION 715 MINERAL SPECIMENS

Class	Scorecard
1. Minerals	A
Any size or type (min. 20, max 35). No duplications allowed.	
2. Crystal Specimens	A
For purpose of this class twinned crystals will be considered as single crystals. Not more than 35 specimens. The exhibit with the highest number of crystal systems represented will receive the highest score for variety.	
3. Minerals	A
Containing same chemical element.	
Refer to Div. 701, Class 3.	
FACETED WORK	

DIVISION 716 FACETED WORK NOVICE-SINGLE

Requirements: Refer to Division 703

Class	Scorecard
1. Faceted Stone (Natural)	B1

EDUCATIONAL EXHIBITS RULES

The goal of all educational exhibits is to teach and inform the observer about some aspect of the gem and mineral hobby. A wide variety of subjects are available to the exhibitor, such as: Prospecting, educational gold mining or assay equipment, faceted stones, & educational--cut rough material. Stages must be shown: Lapidary and educational—cut; and rough material must be shown also. Minerals, educational--Cabochons with corresponding rough. The minimum requirement is 10 artifacts, educational--fossils and educational parts.

Educational exhibits will be judged on the following

Educational Value Clarity, effectiveness and excellence of exhibit, as well as how well the display teaches.

Showmanship Ability of exhibitor to use the material displayed, the background material, and labeling (neatness and size) to create a display with sufficient impact to catch the eye, attract and hold the interest of even a casual viewer. Labeling Labels should be legible, correctly spelled and have specific information.
