Raffle tickets are just \$20 each for your chance to be entered-to-win \$10,000 cash and a 2013 Harley Davidson Motorcycle. Vendor booths will be onsite with food and drinks available for purchase, as well as the finest products and services that any car or bike enthusiast would want. Admission is free for the public to attend.

All proceeds from entries, vendor booth sales and raffle ticket purchases will directly support Terry’s House, which helps out-of-town families by providing them with a home-away-from-home while their loved ones are receiving critical care across the street at Community Regional Medical Center.

Last year, “Spokes N Rods” brought out more than 6,000 people, 70 vendors and 200 of the Valley’s best hot rods and custom bikes. The second annual “Spokes-N-Rods” Event will take place on Saturday, September 28, 2013 at The Big Fresno Fair from 7 a.m. to 2 p.m. For more information on becoming an exhibitor or vendor, contact Lauri King at (559) 650-3228 or lking@fresnofair.com.
